

REC'D 2 2/26

MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT: Receipt of Gift - [REDACTED] 25X1A

REFERENCES: a. Memo from [REDACTED] to D/GS 25X1A  
through DD/P dtd 10 Nov 55 - Subject as Above

b. Presidential Memorandum to the Heads of  
Executive Departments and Establishments  
dt 13 April 54

1. By reference a [REDACTED] reported 25X1A  
the receipt of a gift of initialed gold cuff links and leather box presented  
by the [REDACTED] Force and requested permission to keep the  
gift.

2. Reference b reads in part as follows:

"Except as other procedures may be authorized by law,  
as in the case of decorations which may be authorized for military  
combat or war-time service, each department and establishment  
will hereafter be governed by the requirements of the Act of  
June 27, 1934 (5 U.S.C. 119a) with respect to requesting the  
consent of Congress for retired personnel to accept gifts,  
decorations, awards, or any other thing tendered to them by a  
foreign government. No request shall be submitted hereafter  
for other than retired personnel."

3. [REDACTED] "Foreign Awards and Decorations", was  
published prior to the issuance of reference b. The Director of Personnel  
with the concurrence of this Office has assumed responsibility for re-  
publishing this regulation as an Office of Personnel issuance. It is under-  
stood that the Director of Personnel, in collaboration with the General  
Counsel, is currently rewriting the regulation and that the provisions of  
reference b will be included in the revision.

4. It is recommended that the gift be turned over to the custodianship  
of the Director of Personnel until such time as [REDACTED] may be retired 25X1A

from Government service. At that time the Director of Personnel, security conditions permitting, will take appropriate action to transmit to the Secretary of State a request for the consent of Congress for [redacted] to accept the gift.

25X1A

5. It should be recognized, however, that for operational reasons it may be necessary that [redacted] display the cuff links on the occasion of visits by [redacted] officials or in the event [redacted] in the future may take an overseas post where there may be some relationship with [redacted] officials, direct or indirect. It is the opinion of this Office that under circumstances where there is a reasonable operational justification, the Director of Personnel should release the cuff links as the occasion demands. It is felt that it is not within the spirit of the Presidential Memorandum, nor appropriate, that this gift be fully released to [redacted] for continuous use but that the release should have some operational justification which would be understandable and acceptable to all interested parties.
